Career Objective

I am going to start my career as a front-end web developer. I would like to work with an organization with which I can use my skills to contribute to the betterment of the company.

Skills

Expertise:

- JavaScript, ES6, React, Tailwind

Familiar:

- Firebase, Node.js, Express.js, REST API, MongoDB

Tools:

- Github, Heroku, Netlify, Postman, VS Code.

Projects

Phone Creation: Live Site Link | Client-Side Code Link | Server Side Code Link

- **Overview:**
    - ❖ This is a medium-level full-stack project. There are some separate routes for admins, such as add products, manage products, manage orders, and make admin.
    - ❖ The stripe has been used for the payment gateway and the customer will be able to pay via card.
    - ❖ An admin can control product add, delete, and order processes.
- **Technology Used:**
    - ❖ React, Firebase, Express js, MongoDB, Stripe, Tailwind, Swiper, React Query, Tailwind [daisyUi], React Hot Toast

Cycle World: Live Site Link | Client-Side Code Link | Server Side Code Link

- **Overview:**
    - ❖ JWT and Firebase are used for security and authentication.
    - ❖ If you want you can increase the quantity of products, as well as delivery, delete and add
    - ❖ The website uses Express js for BackEnd and MongoDB for the database.

- **Technology Used:**
  - ❖ React, JWT, Tailwind (daisy UI, Flobite, Swiper), Express.js, MongoDB.

Center Of Strength: [Live Site Link](#) | [Code Link](#)

- **Overview:**
  - ❖ The website uses firebase for authentication.
  - ❖ React Router has been used for a better user experience
  - ❖ Clicking on the purchase button of the package on the home page will take you to the checkout page and the checkout page has been protected.
- **Technology Used:**
  - ❖ React, React router, React firebase hook, Tailwind (daisy UI), React Toastify

Education

Institute: Mirpur Polytchnic Institute-MPI
Subject: Computer (4th Semester)
Duration: 4 years

Professional Training

Complete web-development course: Programming Hero 5th Batch (2022)

Extra-Curricular Activities

I am associated with a club called JESACC. We do a variety of social work, such as helping poor people, rewarding students for doing well on exams, and giving people masks, hand sensitizers, and food when the corona virus attacks. We also do a lot more work. I have been doing social work with this club for many years. We want to go a long way.
